Contents on the inside of the packaging

Together in freedom

In the heart of Dalmatia stood from the 13th to the 19th century the independent Republic of Poljica. Surrounded by raging conquering powers, the inhabitants of Poljica safeguarded their freedom in their nest hidden in the rocky terrain, their most precious treasure. Their justice and humanity are summed up in the provision of the Poljica Statute "let everyone live"

Extra virgin olive oil from family olive groves from the areas of ancient Poljica
